

**EDGEWISE  
ENVIRONMENTAL**

# **MARINE MAMMAL OBSERVER**

## **BRIDGING PROGRAM**

---

- **Online training program - no at-sea practical session**
- **Focuses on mitigation processes of offshore aspects that may impact marine mammals in Canada**
- **Offered on both the East and West Coast of Canada**
- **Prerequisites: previous MMO certification and 12+ weeks working as a dedicated MMO**
- **All theory is delivered online through a custom learning portal**
- **Weekly online quizzes, assignments and a final exam**
- **60% required to pass the course**
